

# Dias Junussov

Student Developer & Founder of WizeTale (nFactorial Incubator 2025)

Location: Kazakhstan · Website: [wizetale.com](https://wizetale.com) · Email: [s87713326350@gmail.com](mailto:s87713326350@gmail.com) · LinkedIn: [linkedin.com/in/dias-junussov-147076360](https://linkedin.com/in/dias-junussov-147076360) · GitHub: [github.com/Dadrout](https://github.com/Dadrout)

---

## SUMMARY

AI-driven student founder building WizeTale — a platform that turns complex humanities topics into short, engaging video stories. Hands-on with Python/FastAPI, Docker, PostgreSQL and modern AI tooling (GPT-4o, ElevenLabs, Runway). Eager to grow through internships, scholarships and product work in edtech/AI.

## SKILLS

Programming: Python, JavaScript (basic), HTML/CSS	Backend: FastAPI, REST, PostgreSQL, Redis
DevOps: Docker, docker-compose, CI/CD (basics), Linux	Product & Design: Figma, Tilda, UX basics
AI/Media: GPT-4o, ElevenLabs, Runway	Other: Git/GitHub, Markdown

## PROJECTS

WizeTale — AI storytelling platform (Founder, 2025) — converts complex school subjects into short videos with narration and visuals. Built content pipeline and MVP; managed prompt engineering, scripting, and video generation; launched public demo ([wizetale.com](https://wizetale.com)).

Time Capsule — FastAPI backend (Developer, 2025) — authentication with JWT, file uploads to S3, Redis caching, Celery tasks, PostgreSQL, Dockerized services; basic CI/CD; WebSocket notifications.

## EXPERIENCE

nFactorial Incubator 2025 — Product & engineering participant; collaborated in a competitive environment, prepared demo day pitch, and iterated on user feedback.

## EDUCATION

- Gymnasium No. 1 named after A. Bokeykhanov — High School Student (Kazakhstan)
- Udacity — Programming Fundamentals (Nanodegree), May 31, 2025
- Morrison Code Academy — Web Development (Front-End, Figma, Tilda), Oct 30, 2024

## AWARDS & CERTIFICATES

- Runner-Up — nFactorial Incubator Hackathon (Satbayev University & Chevron), July 18, 2025
- My Extra Case Competition — Aktau City Final (Finalist), Feb 4, 2025
- My Extra Case Competition — Taraz Qualifying Round (Participant), Nov 30, 2024

## INTERESTS

EdTech, AI for learning, storytelling, running and swimming.
